

Medical Oncologist Opportunity

The Cancer Centre of Southeastern Ontario is currently seeking an Academic Medical Oncologist with expertise in the management of solid tumours. This is for a 0.5 full time equivalent position.

The Cancer Centre of Southeastern Ontario sees nearly 3,500 new patients each year. This comprehensive cancer program is the sole provider of advanced cancer treatment for the 850,000 residents of Southeastern Ontario. This program includes unique academic opportunities in affiliation with Kingston General Hospital, the Cancer Research Institute (Divisions of Cancer Biology and Genetics, Cancer Care and Epidemiology and Clinical Cancer Research), Queen's University, and Cancer Care Ontario.

Built on a grand heritage and defined by an exquisite ability to blend the beauty of yesterday with the passion and sophistication of today, Kingston offers a wide range of recreational and cultural activities. Enjoy our meandering waterfront with a mix of historic neighbourhoods and breathtaking parkland. The Cancer Centre of Southeastern Ontario is located on the shore of Lake Ontario.

Qualified candidates are invited to forward curriculum vitae and the names of three references, by July 14th 2010 to: Dr Richard Gregg, Head, Medical Oncology Division, Cancer Centre of Southeastern Ontario, 25 King Street West, Kingston ON, K7L 5P9 or by email to Wendy Postill, Administrative Secretary, wendy.postill@krcc.on.ca.
